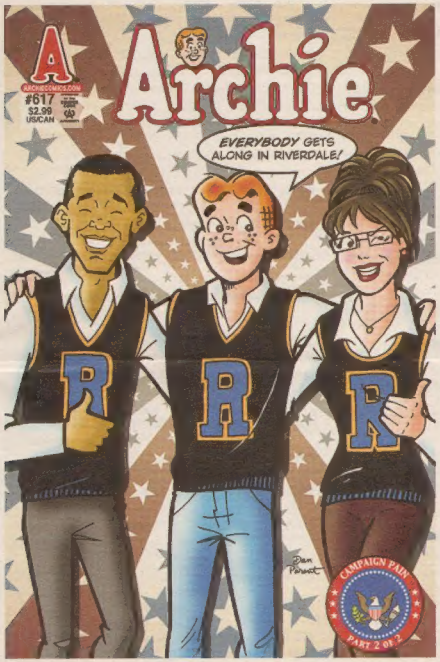
## Archie Invites Readers to Join the Party

...The *political* party, that is!

This December, Archie Andrews finds himself smack-dab in the middle of a political campaign—and his opponent is none other than long-time rival Reggie Mantle as the two set their sights on Riverdale High School office. The campaign ramps up to the next level, however, when Barack Obama and Sarah Palin come to Riverdale to take part in the campaign!

*"Veronica #199,* with the President Obama storyline was a smash hit so we're bringing it back bigger and better in ***Archie #s 616 & #617,"*** Archie Comics President *Mike Pellerito* said. "This time we're adding more spice. That's where Sarah comes in."

The story begins in ***Archie #616*** as President Obama and former Governor Palin get involved as Student Government campaigns at Riverdale High! The race between Archie and Reggie gets hot as campaign chaos reaches to the top, forcing an impromptu visit from these big-name politicos, who get pulled into the fray.



The story continues into ***Archie #617*** as Riverdale becomes the center of a national crisis! Archie and Reggie have each claimed support from one of these political powerhouses, but those claims may not be wholly accurate. The campaign throws Riverdale into chaos—and when the Secret Service gets involved it only gets worse!

As any reader who watches the news already knows, 2010 has been one of the most turbulent and volatile political years in decades. Are the Archie comics creative and editorial teams making efforts to ensure that no one feels that both political figures are treated with respect and dignity? "Riverdale is a place where *everyone* has equal respect," Archie Comics co-CEO *Jon Goldwater* told ***CSN,*** "and where *all* viewpoints are open and welcome."

So who's on Archie's side and who's on Reggie's side? "Archie *claims* to have Obama on his side and Reggie *claims* to have Palin's support," Goldwater said, "but you'll have to read the issue to find out who's really on whose side."

Archie has been dealing with more mature and sophisticated themes in ***Life With Archie: The Married Life,*** while stories in the more established Archie comics have been lighter in nature. Is it safe to assume that this story in ***Archie #s 616 & 617*** will be more in keeping with the traditional (and lighter) Archie tone? "Yes, the 'Campaign Pain' story line in ***Archie #s 616 & 617*** will stick with the lighter tone of the regular Archie line of comic books," Goldwater said.

The two-part storyline is written by *Alex Simmons* with art by *Dan Parent, Jack Morelli, & Digikore Studios.* ***Archie #616*** is slated for December 22nd release; ***Archie #617*** follows on January 26th.

## Harras Tapped as DC's EiC

*Bob Harras* has been promoted to Editor-in-Chief, VP, DC Comics, effective September 27th. Harras will oversee editorial for DC Comics, DC Universe, ***Mad Magazine,*** and Vertigo; he will be based in New York City, reporting directly to Co-Publishers *Dan DiDio & Jim Lee.* Harras becomes the company's first Editor-in-Chief in nearly 10 years, since the position was held by *Jenette Kahn* from 1981 to 2002.

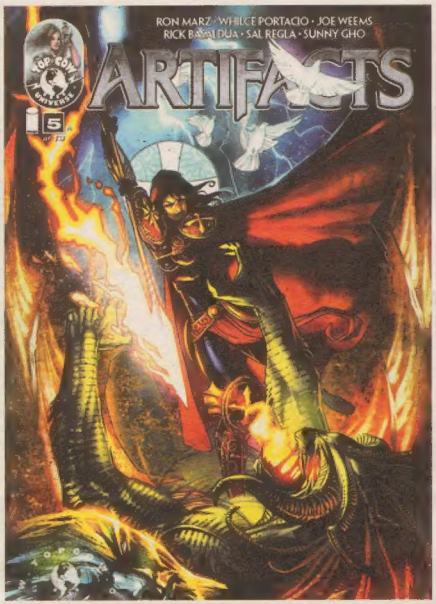
"*Bob Harras'* personal and creative integrity is respected and renowned throughout the comic book industry," *Jim Lee,* DC Comics Co-Publisher, said. "As an editor, he provides invaluable insight into storytelling and character."

"We could not be more excited to make this announcement," *Dan DiDio,* DC Comics Co-Publisher, added. "Bob is a tremendous evaluator of talent, character and story. He is a proven leader who brings a keen understanding of the marketplace to the position."

For the past few years, Harras has been Group Editor, Collected Editions at DC. But fans may remember him best as Marvel Comics' editor-in-chief during the turbulent period from 1995 to 2000.

## Back to Press

- ***Fantastic Four #583 2nd Printing Epting Variant*** (AUG108172), in stores 10/27.
- ***Veronica #202 2nd Printing*** (AUG108028), in stores this week. This book (featuring the debut of Kevin Keller, the first gay student in Archie Comics history) is the first reprint in Archie Comics history. "It's been a thrill to see how well people have welcomed Kevin into their lives," Archie Comics co-CEO *Jon Goldwater* said.



## CSNsider

- *Whilce Portacio* has been announced as the artist for the second story arc of Top Cow's ***Artifacts*** saga, beginning with ***Artifacts #5.***

***Artifacts,*** which weaves together story lines from a number of Top Cow titles (including ***Witchblade, The Darkness, Angelus,*** and ***Broken Trinity: Pandora's Box***), has proven so successful that the first issue has already gone into a third printing to meet demand.. The first arc, written by writer *Ron Marz* and illustrated by *Michael Broussard,* kicked off with a mysterious figure seeking to put Armageddon into motion by bringing together all thirteen artifacts. The first four-part arc will feature a cliffhanger ending, paving the way for Portacio's artistic debut in ***Artifacts #5*** as the antagonist manipulating the bearers of the artifacts moves to complete his plan for utter annihilation of the world. ***Artifacts #5*** is slated for late December release.

- *P. Craig Russell* is supplying the variant cover image for ***Action Comics #894,*** which features *Neil Gaiman's* Death in a confrontation with Lex Luthor.
- *Gene Ha* is the new artist for the variant cover edition of ***Superman #704*** (which now features a "Grounded" interlude story by *G. Willow Wilson & Leandro Oliveira).*
- *Daniel Acuna* will replace *Butch Guice* as the artist for ***Captain America #611.***
